

Welcome to **McAuley PLACE**

A Ministry of Mercy Partners

Designed to encourage independence

Mercy Community's McAuley Place has been designed to encourage independence and meaningful connections in a nursing home that feels like your own home. The 31-bed residential aged care facility is located in a tastefully remodelled historic convent at 263 Agnes Street, The Range - conveniently close to the Mater Hospital, Rockhampton Botanical Gardens and Allenstown Shopping Centre.

Our highly experienced and professional team is dedicated to ensuring residents flourish in our care, in all aspects of life. Members of all cultural communities are well catered for with our Pastoral Care Team providing support to residents and families during their transition period into care and during their stay in the facility. Catholic Mass is regularly celebrated in the chapel and church services from other denominations are welcome upon request.
