

Coming in 2025

Mercy Haven

AGED CARE FACILITY

Let's make the move together

Mercy Community is building Mercy Haven, a new residential aged care facility in the heart of Rockhampton and it's on track for completion in mid-2025. The new, three-story, 90-bed, state-of-the-art facility is designed to provide the privacy, space and dignity needed to invigorate the lives of our residents.

Welcome to your new home at Mercy Haven

Through our investment in Rockhampton's newest residential aged care facility, Mercy Haven, we're building a world where people are strong in spirit, healthy and connected. Designed with person-centred principles top of mind and packed with features, each room offers residents an ensuite, individual air conditioning, ceiling fan, Smart TVs, and a contemporary nurse call system. The build also boasts private dining, café/bar, library and living areas on each level, plus an on-site hairdresser, landscaped gardens and surrounds, and energy and waste efficient inclusions. We look forward to making the move to Mercy Haven, where we can build a new home together. Open the door to your new home at Mercy Haven.

Specialised dementia support

Palliative care

Aged disability support

Pastoral care

Complex clinical care

Everything you need, conveniently in one location

Residents will enjoy a charming and convenient setting next to the Mater Hospital and close to the Rockhampton Botanical Gardens and Allenstown Shopping Centre.

Recreation and lifestyle activities are provided and facilitated by our dedicated Lifestyle Officers and activities include but are not limited to concerts, high teas, bus outings and celebrations of important days.

Mobile dentistry

Cafes

Hairdressing

Cinema

Regular outings

Chapel

BBQ area

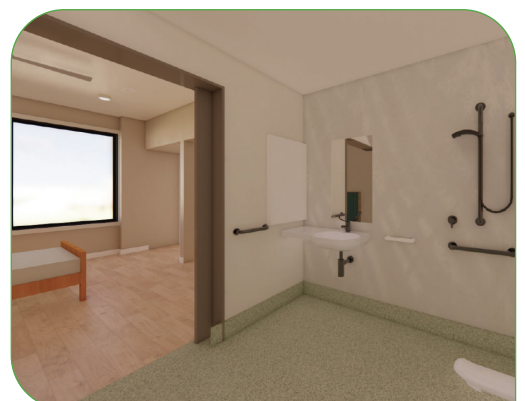

Medical facilities & pharmacy

What you can expect

The facility has a beautiful onsite chapel where Catholic Mass is held regularly, and a vibrant café that is filled with delicious aromas and the laughter of residents. It is especially designed to be accessible for residents across both Mercy Haven and Bethany aged care facilities, as they sit side by side. This allows our residents to engage with a wider group of people and join in recreational activities, as well as the Mercy Day Therapy Centre for physiotherapy and allied health classes.
