

Welcome to **Bethany** NURSING HOME

Nestled within the heart of Rockhampton

Mercy Community's Bethany Nursing Home is a 110-bed residential aged care facility set in the peaceful and quiet neighbourhood of The Range.

Our highly experienced and professional team specialise in the care of high acuity residents requiring full assistance with daily living activities and clinical nursing care. Bethany is well equipped to manage palliative care and end of life care and staffed with people who will support the residents and their families during this time. It also has a Pastoral Care Team that provides support to residents and families during their transition period into care and during their stay in the facility. The facility provides access to a registered nurse 24/7 to ensure that clinical care needs are well managed. Family engagement is encouraged through regular contact to foster partnership in the delivery of care.

Specialised dementia support

Palliative care

Aged disability support

Pastoral care

Complex clinical care

Everything you need, conveniently in one location

Residents will enjoy a charming and convenient setting next to the Mater Hospital and close to the Rockhampton Botanical Gardens and Allenstown Shopping Centre.

Recreation and lifestyle activities are provided and facilitated by a dedicated Lifestyle Officer and activities include but are not limited to concerts, high teas, bus outings and celebrations of important days. In collaboration with the nearby primary school, Bethany is part of an Intergenerational Learning Program which aims to connect residents with primary school children to share life experiences and learning.

What you can expect

The facility has a beautiful onsite chapel where Catholic Mass is held regularly, and a vibrant café that is filled with delicious aromas and the laughter of residents. It is especially designed to be accessible for the residents of Bethany, the Mercy Day Respite Centre and its recreational activities as well as the Mercy Day Therapy Centre for physiotherapy and allied health classes.
